CURRICULUM VITAE

Prof. Dr. Ansgar Belke is a Full Professor of Macroeconomics and Director of the Institute of Business and Economic Studies (IBES) at the University of Duisburg-Essen. He has been (ad personam) Jean Monnet Professor since 2012.

Prior to this, he was Full Professor of Economics, in particular Macroeconomics, Applied Economics, and Economic Policy, at the University of Vienna (2000-2001); C4 Professor of Economics, in particular Foreign Trade, at the University of Hohenheim (2001-2007); Head of the Eastern European Centre at the University of Hohenheim (2001-2007); and Head of the Centre for European Integration Research at the University of Hohenheim (2001-2007).

Moreover, he is an Associate Senior Research Fellow at the Centre for European Policy Studies (CEPS), Brussels; Senior Research Fellow at the Centre for Data Analytics for Finance and Macroeconomics (DAFM), King's Business School, London; a member of the Adjunct Faculty at the Ruhr Graduate School in Economics (RGS Econ); and a Visiting Professor at the Europa-Institut at Saarland University, Saarbrücken.

Ansgar Belke has been a Visiting Researcher at the IMF in Washington, DC, CentER Tilburg, CEPS Brussels, IfW Kiel, DIW Berlin, and OeNB Vienna. Furthermore, he has been a member of the "Monetary Expert Panel" of the European Parliament, Research Director for International Macroeconomics at the German Institute for Economic Research (DIW Berlin), and a Visiting Professor at the Hertie School of Governance, Berlin.

He is President of the European Economics and Finance Society (EEFS) and is a member of the Scientific Advisory Council of IAW Tübingen, the Councils of "Arbeitskreis Europäische Integration" (AEI), the "Institut für Europäische Politik" (IEP), the Executive

Committee of the International Atlantic Economic Society (IAES), and the Scientific Committee of the International Network for Economic Research (INFER). He is also a Research Fellow at IZA Bonn, the Global Labor Organization (GLO) and at CELSI, Bratislava; a member of the professional central bank watch group “ECB Observer”; a member of the Bureau of European Policy Analysis (BEPA) Visitors’ Programme of the European Commission; an external consultant to DG ECFIN of the European Commission; and an external consultant to the European Union Committee of the House of Lords (UK). He has conducted successful research projects on behalf of the German Bundesbank, the European Commission, the German Federal Ministry of Finance, and the German Ministry of Labour and Social Affairs, among other organizations. He served as a member of the “Monetary Expert Panel” of the European Parliament from 2009 to 2014. He obtained his BA and MA in Economics in Münster, Paris, and Kiel, and a PhD in Economics and Habilitation in Economics and Econometrics from the Ruhr University Bochum, Germany.

He serves as editor-in-chief of the journals *Applied Economics Quarterly*, *Credit and Capital Markets—Kredit und Kapital*, and *Economist’s Voice* and as a member of the editorial board of the journals *International Economics*, *Geopolitics Under Globalization*, *Journal of Economic Studies*, *List Forum für Wirtschafts- und Finanzpolitik*, *Frontiers of Accounting and Finance*, *International Journal of Financial Studies*, *Aestimatio—The International IEB Journal of Finance*, *Vierteljahrshefte zur Wirtschaftsforschung*, *International Economics and Economic Policy*, and *Empirica—Journal of European Economics*. He is a member of the editorial board and co-editor of *Economics* (the e-journal of the Kiel Institute of the World Economy); editor of the book series “Financial and Monetary Policy Studies” (Springer); guest editor of renowned journals such as *Journal of International Money and Finance*, *Economic Modelling*, *Open Economies Review*, *Credit and Capital Markets*, *International Journal of Financial Studies*, *Energy Economics*, *International Economics and Economic Policy*, *European Journal of Political Economy*, *Credit and Capital Markets I*, *Credit and Capital Markets II*, *Review of Development Economics*, and the *Review of International Economics*; and co-editor of the book series “Quantitative Ökonomie” (Eul-Verlag) and “Hohenheimer Volkswirtschaftliche Schriften” (Lang-Verlag).

He has published widely in international refereed journals and other outlets, makes regular appearances in the print media and in national and international television broadcasts. He is ranked 19th in the Handelsblatt’s most recent research ranking of more than 3,000 German-speaking economists. He is among the top 1% in the European Repec/Ideas ranking, and has h-indices of 22 (CitEc), 21 (Scopus) and 41 (Google Scholar). He has been the keynote lecturer at a wide array of conferences, among them the Blockchain Economic Forum (BEF) in Davos, Switzerland in 2019, the Koç University—TÜSİAD Economic Research Forum (ERF) Conference “EU Negotiations, Customs Union, and Economic Growth” in 2017, and at the “Greek Government Roundtable” in Athens, Greece in 2014. He was the plenary speaker at the ECOMOD Conference in Bali, hosted by the Bank of Indonesia, in 2014. He was the keynote speaker at the the “Asan Plenum” and “The Economist Bellwether Series Conference”, both in Seoul, South Korea in 2012, and at the “Jeddah Economic Forum” in Jeddah, Saudi-Arabia, the “Global Economic Forum” in Istanbul, Turkey, and the international conference “Policies for Growth and Financial Stability beyond the Crisis—The Scope for Global Cooperation” in Mumbai, India in 2010.

His main research interests are in the fields of international macroeconomics, monetary economics, European integration, and applied econometrics.
